《Remarks》

The items 1-7 below are for the AY2023 and may be subject to change for the AY2024.

- The Admission fee is charged in the first year only.
- The tuition mentioned above is the amount without tuition reduction. The amount in the parentheses is the amount with the 30% tuition reduction.
In the case of newly enrolled students, if the student pays the full tuition and then receives the tuition reduction after admission, you will receive a refund for the amount of the reduction. In the case of students in their second or subsequent year who met academic standards and are recognized as eligible for the tuition reduction, you will be charged the reduced amount of tuition.
For details on eligibility to receive the tuition reduction, see "Support Schemes for International Students."
- Students are permitted to choose between paying the entire amount or paying the tuition, Facility fee, lab fee, and equipment fee in two installments per year.
- Students enrolling in the Faculty of Sociology' s Department of Global Diversity Studies will participate in a one-week "global diversity exercise" either in Japan or abroad during their first year. They must therefore make a separate payment to cover associated expenses (e.g., for transport, accommodations, educational materials, meals, etc.) amounting to approximately 80,000 yen for an exercise in Japan and approximately 150,000 yen for an exercise abroad (or approximately 350,000 yen for students desiring a long-term program).
- Some courses may charge an additional payment of activity fees.
- The admission fee is money paid as "the price of obtaining a position that will allow enrollment." It is therefore non-refundable even if the applicant declines to enroll in the university. Submitted documents will likewise not be returned.
- Tuition and fees may change for students who exceed the designated length of the course of study.
*Toyo University may collect other expenses on behalf of various organizations based on their requests.
